Speed:	0,025 m./sec.
Noise level (idle/shredding):	54/55 dba
Waste bin volume:	paper: 38,5 l.; CD/DVD/credit cards: 1,5 l.
Voltage:	230 V.
Power:	250 Watt
Dimensions (WxDxH):	39x30x59 cm.
Weight:	13 Kg.

Strip shredder with a **transparent opening lid** and automatic suspension closing. Shredding capacity of up to 26 sheets at a time by just inserting them into the throat on the front. Shreds **CD-ROMs, DVD and credit cards** by inserting them into the 2nd throat. **Two separate sets of cutting blades**, one for shredding paper and the second for CD-ROMs, DVDs and credit cards, allow to feed the shreds into two separate integrated removable bins which need no bags and keep shredded paper and plastic separate. Equipped with “ENERGY SMART” system with optical illuminated indicators for **zero power consumption in Stand-by mode** and **environmental protection. Low noise continuous duty motor.**

- Transparent opening lid with automatic suspension closing
- 2 shredder functions: up to 26 sheets of paper at a time or CD-Roms, DVDs and credit cards
- 2 separate sets of cutting blades: one for paper and one for CD-ROMs, DVDs and credit cards
- 2 distinct integrated removable containers to separate shredded paper and plastic and no need for waste bags
- "Mobile Protection System" security with dual electronic sensors which cut off machine operation as soon as the lid is raised
- Wide throat at the front for convenient shredding of flat sheets of paper
- “Energy Smart” System: zero power consumption on stand-by mode
- 24 hours low noise continuous duty motor without overheating or duty cycles
- Automatic Start/Stop through electronic eyes with stand-by function
- Automatic stop for bin removal
- Carbon hardened cutting knives unaffected by staples and clips
- Motor thermal protection
- Certification marks: CB – CSA – CE
- Manufacturer: Elcoman – Via Gorizia n° 9, 20030 Bovisio Masciago, (Milan) – Italy
- Packaging: 1 unit per box
- EAN barcode: 8 026064 991 117

Opening cover with automatic suspension closing for disposing of CDs, DVDs and credit cards using the dedicated throat and also for removing any blockages.

2 separate sets of cutting blades
One set for paper and the 2nd for CDs, DVDs and credit cards.

2 distinct integrated removable bins for separating shredded paper and plastic from CD-ROMs, DVDs and credit cards. Transparent window on the front makes it simple to check the level in each bin. No need for plastic bin bags.

1: shredding sheets of paper
Shred up to 26 sheets of paper at a time by inserting them into the throat on the front.

2: shredding CD-Roms, DVDs and credit cards
Lifting the cover, insert CDs, DVDs and credit cards in the second throat. Close the cover and the machine automatically starts to shred data support media.
